Row 11 - 31: Ch 1, sc 8. Turn work. (8 sc)

Fasten off a tail to sew in later.

To make 2nd handle, going back to the body of bag where you left off on the 18 sc, skip 22 stitches and attach yarn. The count will be 18 sc, skip 22 stitches, sc 18, skip 22 stitches so handles are perfectly centered.

Repeat the steps for the handle you just made. Do not fasten off on the second handle.

To attach top of handles, turn bag inside out, line up top of handles, and going through both handles sl st them together. Don't fasten off. Turn bag right side out.

To reinforce handles, have the right side of the bag facing you, ch 1 and on inside of handle sc, sc around. Sl st to top of 1st sc, leave a tail to sew in and fasten off. Repeat on other side.

Sew in your loose ends and enjoy your new bag!
