NOTES:

- Wreath rings work best but embroidery hoops can be used as well.
- Pattern is written for super bulky yarn.
- When slip stitching up chains of the previous round, I suggest slip stitching into the back bump of the chain to create a clean and hidden increase. See picture below:

You may sell products made from this pattern but not the pattern. I ask that you link back to my post. Please do not copy or reproduce pictures. When in doubt ask me, tonjapebenito@gmail.com****
